Exploring the Sacred
Healer: John of God

Each month we explore beautiful expressions of the sacred through healing art, music, dance, and sacred practices. This month we honor the sacred healers like **John of God** and author, healing musician and therapist, Mytrae Meliana, MFT who will take us on a sacred pilgrimage of her healing journey.

Testimony of Love:
My Healing
Journey to Love,
Forgiveness, and Spirit

Healing Pianist and Author, Mytrae Meliana, MFT
Singer, Momo Cortez

Mytrae will share her inspirational healing journey from disempowerment to standing tall and true in her power. Facing great odds and Lyme Disease, she sets out on a path that takes her to **John of God**, a spiritual healer in Brazil, where love and forgiveness heal her inside and out. Her story is a testament of courage, hope, possibility and magic as she is supported from spirits from the other side of the veil and the Divine Feminine.

Mytrae is an intuitive psychotherapist, transformational coach, and sound healer. She helps women speak their truth, stand tall in their power, and live from their heart. Guided by the Divine Feminine, she helps women connect with their inner Goddess. She is author of **How I Healed From Lyme Disease** and **John of God: A Guide to Your Healing Journey with Spirit Doctors Beyond the Veil**. She channels piano healing and meditation music and has 2 CDs: Serenity and Chakra Sonata. Visit her at www.mytrae.com.

Mytrae plays channeled spirit filled music on the piano, which contain healing keys and will lead a healing meditation, while **Momo Cortez** brings her angelic voice, in a song of healing. Momo's singing is a Divine Calling. She currently sings at Unity Churches all over the Bay Area, with the Doc Kraft Band and private parties. She loves to bring joy and passion to her audience.
