

# LIVE YOUR SOUL'S DREAM

## a Soul Magic program for Conscious Women

Are you a woman ready to listen to and follow your soul's purpose?

Do you feel like there's more to you?

More to your life?

You have gifts and talents that want to be expressed?

You want to be the change and create an impact in the world?

Is your Soul calling you?

Then join me and other wonderful women in LIVE YOUR SOUL'S DREAM, a 3-month program.

Over three months you will be led on a transformational journey in community to:

1. **DISCOVER** your Soul's purpose. You go on inner journeys to listen to and connect with your soul to know why you're here on this planet. You know, the great stuff.
2. **CLARIFY** your vision. You decipher and accept your Soul's messages. Learn some soul technologies and arts like how to manifest and work with intention. Clear any goblins that might be in the way of you believing and stepping into your magic, truth, and power.

3. **CREATE** your reality. You create a plan, and begin to take action steps towards making your Soul's dream a reality.
